Policy Number: 2024-002

Throughout the year, CCWWD may impose Water Restrictions in the form of 'Stages.' Restrictions are imposed according to the advice of our Water Operator. This policy is to establish a penalty system for using water contrary to restrictions.

The Cherry Creek Waterworks District (CCWW) recognizes that residents may mistakenly violate imposed Water Restrictions; therefore, penalties will be issued to offenders in the following manner:

- First Offense – Verbal Warning
 - A First Offense Form will be mailed to the resident acknowledging the offense and providing this policy.
- Second Offense – Written Warning
 - A Written Warning, signed by the Chair and Administrator will be sent by registered mail to the offending resident.
- Third and Subsequent Offenses – Penalty Issued
 - A Formal Letter and invoice will be issued in person and by registered mail to the resident. Penalty amounts will align with the current Stage of Water restriction as listed below.
 - Subsequent offenses will have a new penalty issued at the time of each offense

Penalties

Stage 1 Water Restrictions:	\$50
Stage 2 Water Restrictions:	\$100
Stage 3 Water Restrictions:	\$150
