Thank You Cherry Creek!

This summer brought intense challenges with extreme heat, wildfires, and necessary water restrictions. **But you stepped up.**

Because of your efforts:

- ✓ On average, during daily peak consumption times, overall water usage decreased by 150 gallons per minute.
- ✓ We preserved essential reserves for wildfire response
- ✓ We protected our shared environment and community

Your commitment to conserving water helped keep Cherry Creek safer and stronger during a critical time. 

Please check www.cherrycreekwater.com for up-to-date information on **Outdoor Burning Restrictions.**
